AMENDED CERTIFICATION

Janet Hunt
Superintendent
McCamey Independent School District
111 E. 11th St.
McCamey, Texas 79752

Dear Superintendent Hunt:

This application (Application #1073) was originally submitted on June 8, 2015, to the McCamey Independent School District (the school district) by SPD-Solar Texas2, LLC (the applicant) for a limitation on appraised value under the provisions of Tax Code Chapter 313.^[1] On June 24, 2015, the Comptroller issued written notice that the applicant submitted a completed application; and later issued a Certificate for a limitation on appraised value on June 29, 2015. The applicant and school district executed an agreement for a limitation on appraised value (the agreement) on August 27, 2015.

On November 13, 2015, the Comptroller received a proposed amendment to the limitation agreement to assign the project to Upco Power 1, LLC. This presents the Comptroller's review of that amendment per Section 10.2 of the agreement and determinations required:

- 1) under Section 313.025(h) to determine if the property meets the requirements of Section 313.024 for eligibility for a limitation on appraised value under Chapter 313, Subchapter C; and
- 2) under Section 313.025(d), to issue a certificate for a limitation on appraised value of the property and provide the certificate to the governing body of the school district or provide the governing body a written explanation of the comptroller's decision not to issue a certificate, using the criteria set out in Section 313.026.

Determination required by 313.025(h)

The information provided by the applicant related to eligibility has not changed and therefore, the Comptroller has determined that the property meets the requirements of Section 313.024 for eligibility for a limitation on appraised value under Chapter 313, Subchapter C.

Certificate decision required by 313.025(d)

Determination required by 313.026(c)(1)

The information provided by the applicant related to this section has not changed and therefore, the Comptroller has determined that the project proposed by the applicant is reasonably likely to generate tax revenue in an amount sufficient to offset the school district maintenance and

operations ad valorem tax revenue lost as a result of the agreement before the 25th anniversary of the beginning of the limitation period. See Attachment B.

Determination required by 313.026(c)(2)

The information provided by the applicant related to this section has not changed and therefore, the Comptroller has determined that the limitation on appraised value is a determining factor in the applicant's decision to invest capital and construct the project in this state. See Attachment C.

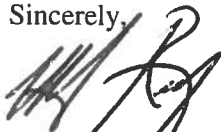

Based on these determinations, the Comptroller issues an amended certificate for a limitation on appraised value for the amendment.

The Comptroller's review of the application assumes the accuracy and completeness of the statements in the application. If the application is approved by the school district, the applicant shall perform according to the provisions of the Texas Economic Development Act Agreement (Form 50-286) executed with the school district. The school district shall comply with and enforce the stipulations, provisions, terms, and conditions of the agreement, applicable Texas Administrative Code and Chapter 313, per TAC 9.1054(i)(3).

This certificate is no longer valid if the revised application accompanying the proposed agreement amendment is modified, the information presented in the revised application information changes, or the amended limitation agreement does not conform to the revised application. Additionally, this certificate is contingent on the school district approving and executing the amendment to the agreement within a year from the date of this letter.
